Team Work Makes the Dream Work!

During the month of September we were able to celebrate two vital departments here at Southwind. The Housekeeping and Maintenance Departments keep us looking and feeling good with the hard work they often do behind the scenes. Southwind's Therapy Team gets residents moving and grooving again. These awesome people are so very appreciated, and we could never thank them enough for all that they do!

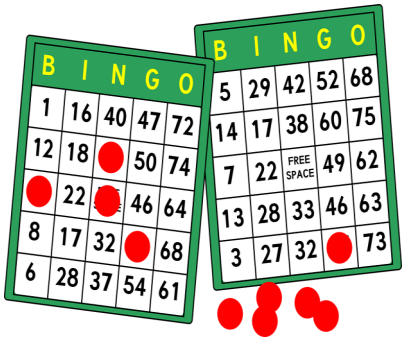
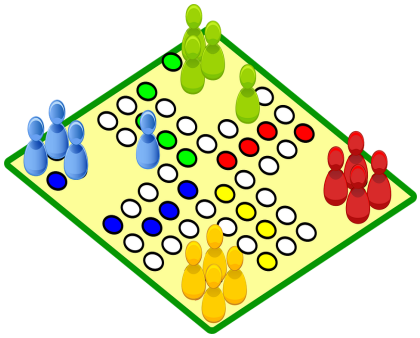
Games Galore!

Multiple times a week, Southwind residents can be found playing an assortment of games. Not only does this keep brain and motor skills sharp, but it is also just plain fun!





Avoid The Flu!

It's that time of year again for Flu Vaccinations! Vaccinating your loved one against the flu is the best way to safeguard their health. Vaccination is particularly important for people who are at higher risk of serious complications from influenza such as hospitalization or death. Please talk to your Director of Nurses or Social Services Director to get your loved one signed up for the flu vaccination.
