A Warmhearted Waffle Surprise

Recently, Mrs. Bertha Mire asked for assistance from our awesome kitchen in making Monday mornings more special for our whole staff at SWHR, by offering huge and scrumptious waffles every other week. Along with the hot and crispy treat, one had a choice of strawberries, whipped cream, butter, and warm syrup.

Thank you for the kind gesture, Mrs. Mire.

We truly appreciate you!

Duck, Duck, GOOSE!

This beautiful Canadian goose has made SWHR its home since February 17. Although everyone is yet to see it take flight, it appears to have a wingspan of about five feet. The goose seems content hanging out here, and we enjoy our goose sightings!

Sweet Beats

The lovely ladies of SWHR really showed off their creative skills when they designed a 'funny valentine'. Some were funny, and they were all beautiful and made with pure love.

Thanks, ladies, for participating in such a thoughtful craft; may you always wear your sweet hearts on your sleeves.

A Special Birthday Celebration

Mrs. Gertrude Thibodeaux and Mr. Angelious LeBleu celebrated their March birthdays on St. Patrick's Day. Several Southwind Healthcare and Rehabilitation residents and their family members were here to wish them many more healthy years of life, laughter, and love. After singing the birthday song they were all treated to a piece of scrumptious chocolate and vanilla cake which was beautifully decorated with a green and white cool whip icing. Green punch was also served in keeping with the St. Patrick's Day traditional colors. Happy Birthday, ladies, we are so blessed to have you at SWHR!

Resident Spotlight: Ms. Lana Rogers

When we think of a petite resident who is a "ton of fun", Ms. Lana Rogers would come to mind. She loves to walk around and visit with the residents and the staff; however, her very favorite thing to do is dance! I guess one could call her our very own "Dancing Queen". When our residents are getting their daily exercise, she turns it into an opportunity to dance. She can waltz, jitterbug, as well as rock and roll to country music.

Ms. Rogers was born on May 11, 1946 in Lafayette, Louisiana to the parents of Mr. Oleus and Vivian Simoneaux Domingue. She grew up with three sisters and two brothers. When she was of age to work, she worked for Bell South and ended up being an AT&T Analyst. Later in life she met and married Mr. Floyd Rogers. Together they raised one daughter, Jessica. Ms. Lana is also blessed with three grandchildren and three great-grandchildren. Mr. and Mrs. Rogers were married for twenty-seven years before he passed.

Hats off to you, Ms. Lana. You've been a pleasure to all of us since you arrived at SWHR on August 15, 2015. We love seeing your beautiful smile that you always have for every one of us.
