Royal Residents

Southwind residents Ms. Judy Libby and Mr. Oledia Cormier recently participated in the Region Three Pageant held at the Civic Center in Rayne, LA. There were competitors from more than twenty nursing centers in our area vying for the title of King and Queen. Ms.

Libby and Mr. Cormier both did a wonderful job representing Southwind Healthcare and Rehabilitation! Both of you will always and forever be royalty to us.

Buggin' Out

SWHR'S residents showed off their creativity when they made these precious lady bugs. They completed them with the assistance of Ms. Joann Richie and Ms. Brenda Primeaux.

They used two paper plates, markers, bug eyes, pipe cleaners, black polka dots, scissors, glue, and scotch tape to produce these awesome-looking creatures.

It's unmistakable in the photos how great the lady bugs came out, plus how much Ms. Glendale and Ms. Delores immensely enjoyed this fun project. We are blessed with very creative residents!

Mom and Dad's Day

SWHR honored the beautiful mothers and fathers on their special days in May and June. They had a delicious meal, thanks to Ms. Sandra Breaux and her fabulous kitchen staff. As you can tell from the pictures, we had an awesome crowd as their loved ones helped celebrate these most honorable occasions.

We realize that we have many of the best moms and dads in this whole world at Southwind Healthcare and Rehabilitation. Thank you for choosing Southwind as your home away from home. We love, respect, and care for each and every one of you very much!

Dear Visitors,
Please do not use the side door next to the activity center to enter or exit the building. Due to the safety of our residents, it is highly important to use this door only in case of emergency.

Thank you,
Southwind Healthcare & Rehabilitation Staff
