REMEMBERING MS. ADELINE TRAHAN

Never underestimate the impact of a small group of people. They can literally change the world! Such is the case with Mrs. Adeline Trahan's family, made up of three children, eight grandchildren and 19 great-grandchildren. In loving memory of Mrs. Adeline on (what would have been) her 75th birthday, the family donated \$750 to benefit the Alzheimer's Association: The Longest Day. Her story started many years ago as a local girl from Esterwood. She grew into a positive role model for those who knew her and a very cherished memory of her family. Alzheimer's Disease steals lots of things, but it can't rob her of her beautiful and lasting legacy. Let's all be like the Trahan family and support the Alzheimer's Association...so that one day we can find our first survivor!

AN UNEXPECTED SURPRISE

Southwind resident, Ms. Josephine Clark, greeted a few special surprise visitors last month at our facility! Her granddaughter, her granddaughter's mother, and her two great-grandchildren dropped by to visit with Ms. Josephine and brighten her day.

NOTICE REGARDING EMERGENCY TRANSFERS

The facility will begin to mail out to the resident representative an Emergency Transfer Notice Form anytime the resident is transferred to the Emergency Room and/or admitted to the hospital. This is a regulatory requirement from CMS. If you have any questions regarding the notification please reach out to the Social Services Director or Director of Nursing. Thank you!

CELEBRATING THE RED, WHITE AND BLUE

Southwind's entire staff and beloved residents enjoyed a delicious Fourth of July barbecue. The barbecue was complete with all the trimmings and was followed by juicy, ice-cold watermelon. Everyone in attendance seemed to enjoy their day as we honored the good ol' USA. We would like to thank our administrator Jerad and all our team members who helped make this a most memorable holiday!

A VISIT FROM MR. BOURGEOIS

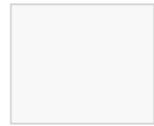

Mr. Allen Bourgeois spent some time recently with our residents. Our loved ones felt very blessed that he came to sing 'Songs About Jesus' and to spread the Good Word. They greatly enjoyed Mr. Allen's singing and prayer.

BUTTERFLIES ARE FREE

Southwind residents gathered one very hot summer afternoon to create one of Mother Nature's most beloved 'bugs', the butterfly. With the use of coffee filters, markers, pipe cleaners, clothespins and their imaginations, they really came up with some beautiful creatures to hang in each of their rooms.
