## WE LOVE OUR ADMINISTRATOR

Most of you know by now that we have a new man on campus. SWHR feels incredibly blessed to have Mr. Jerad Langley serving as our administrator since the month of June. He has been with Elder Outreach since August of 2015, and began his career with Eastridge Nursing and Rehabilitation in Abbeville, LA. We're not quite sure how he does it; however, Mr. Jerad can always be found either speaking with a resident, sharing his wisdom with a staff member, or simply visiting with a loved one's family member. Mr. Jerad, thanks for all you've accomplished since the short time that you have been here. You have made a huge difference in many areas and we certainly appreciate your caring and gentle ways that you have with our residents, their loved ones, and with Southwind's entire staff. We're so glad you're here!

## INSPIRATIONAL QUOTE OF THE MONTH

Your talent is God's gift to you.  
What you do with it is your gift back to God.

- Leo Buscaglia

## NURSE NATION

Southwind's Director of Nursing, Angela Blanchard, recently attended Elder Outreach's DON Conference in Bossier City. Days full of learning, teamwork, and support from your healthcare partners are days well spent!

**DON'T LET THE  
FLU  
SNEAK UP ON YOU!**

Flu season (October 1st thru March 31st) is fast approaching! Please encourage your loved ones in our facility to receive the annual flu vaccination.

Flu Facts from the CDC:

1. Flu vaccination is especially important for people 65 years and older because they are at high risk of developing serious complications from flu.
2. CDC recommends everyone to cover coughs, wash hands often, and avoid people who are sick.
3. Flu symptoms include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue.

We are asking our families and friends of our residents to utilize hand sanitizer, cover your cough and if you do not feel well to refrain from visitation.

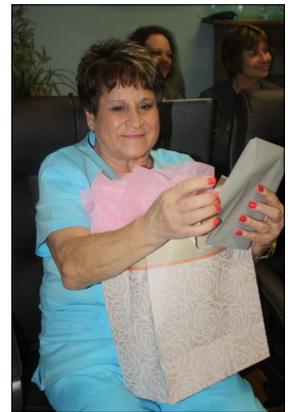

Thank you in helping us keep our facility Flu Free this season!

## A FOND FARWELL

On September 18, Mrs. Rose Schexnider retired from her position as Life Enrichment Director at Southwind Healthcare and Rehabilitation, a position she had held for the last nine years. Prior to coming to SWHR, she also worked in activities at Rayne Guest Home for thirty-five years.

Rose's retirement plans include spending more time with her husband, Bobby (who has been patiently waiting for his travel partner), their son, Justin, and grandson, Elliot. She also plans on catching up with other family members and friends. Other plans include doing a little garden work and a *whole lot* of playing with her grandson, Elliot!

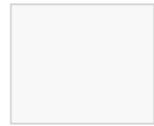

So we, at SWHR, agree...forty-four years in healthcare service is deserving of some time to do the things in which she truly cherishes. Rose could also think of it this way—never again will she have to request a day off! Happy Retirement, Ms. Rose!

## ST. THERESA'S BIZARRE

Last month, several residents from SWHR attended St. Theresa's Catholic Church Bizarre. Although inclement weather almost kept us home, we took our chances and only had to contend with overcast skies, which only made it cooler on an otherwise super-hot summer day! We had so much fun trying a variety of foods and listening to the sounds of Zydeco-French bands. Our residents are not shy to take a whirl on the dance floor!
