A WORD FROM OUR ADMINISTRATOR

Dear Family and Friends,

Over-the-counter medications and CBD products must be physician approved and ordered for Southwind residents. In addition to this, these products cannot be kept at a resident's bedside. To do so would put a resident at risk for adverse effects, and could cause conflicts with their current medication regimen. Once approved and ordered by the physician, OTC medications and/or hemp products must be always kept in the medication cart and administered only by the nurse.

If you have any questions, please call any of our administrative nursing staff. We appreciate your understanding and cooperation in this matter.

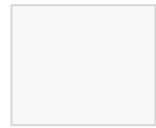

Thank you!

HAVE FUN - PLAY GAMES!

It's been quite some time, but our Casino trips are finally back! We enjoyed a delicious lunch at The Terrace Café and then got plenty of playing time on our first trip to Coshatta Casino in nearly 3 years.
